Invitation

Dear Industry Partner,

The whole world is passing through very difficult times for last two years and came to a standstill due to 'Covid 19' pandemic and lockdowns. Industry also suffered a lot and had to curtail its interaction with medical professionals and participation in academic activities due to various restrictions.

Hopefully we are at the end of long, dark tunnel now and a new light is waiting for us all. It gives us a great honour, privilege and pleasure in inviting your prestigious company to participate in our upcoming meeting- "Hemophilia Summit 2022" to be held on 2nd - 4th of September 2022 at Guru Gobind Singh Medical College & Hospital, Faridkot.

The Summit is being organised by Hemophilia Advocacy Society, Punjab in association with Guru Gobind Singh Medical College & Hospital, Faridkot and under the guidance and support of National Health Mission, Punjab, Punjab State AIDS control Society, Punjab and Baba Farid University of Health Sciences.

This mega event in 'The Holy City of Baba Farid Ji' gives you a unique opportunity to interact with top National and Regional treating physicians of Hemophilia which includes clinical haematologists, Pathologists, Paediatricians, Physicians, Blood Transfusion Medicine Specialist, Surgeons, Orthopedicians, dentists, physiotherapists along with the dignitaries of NHM, Punjab, PSACS and BFUHS.

There are a range of Sponsorship and exhibition opportunities available, offering you a chance to broaden your reach, expand your brand and enhance your visibility among the delegates who will attend this conference. It will provide an ideal platform to you to connect with the grand gathering of leading professionals in the field of Hemophilia.

We would like you to come on board as a sponsor and exhibitor for the trade area and display your product and brief our delegates about them. We also offer you the opportunity of branding your products and services at the venue on selected sites.

We believe that the combination of education, science, research, networking and socializing will make "HEMOPHILIA SUMMIT 2022" a memorable event. Join us at Faridkot and let us work together to inform and educate with the aim of improving treatment outcomes in Hemophilia.

Looking forward to your active participation in a big way !!

Thanks and Regards
Team Hemophilia Summit 2022
