## Welcome to the Holy City of 'Baba Farid Ji'

It gives us a great honour, privilege and pleasure to extend a warm and cordial invitation to you for **Hemophilia & Thalassemia Summit 2023** to be held on **07<sup>th</sup> - 08<sup>th</sup> November, 2023** at **Guru Gobind Singh Medical College & Hospital, Faridkot**.

The Summit is being organized by **Hemophilia Advocacy Society, Punjab** in association with **Guru Gobind Singh Medical College & Hospital, Faridkot** under the guidance and support of **Punjab State AIDS Control Society, National Thalassemia Welfare Society** and **Baba Farid University of Health Sciences, Punjab**.

Hemophilia Advocacy Society, Punjab is the pioneer society working for the wellbeing of hemophiliacs in the state of Punjab and putting hard efforts to create awareness in this community. Society runs different initiatives from providing free diagnostics to making patients aware about overall management of this disorder for better outcomes & a good quality of Life.

Guru Gobind Singh Medical College and Hospital, Faridkot is a renowned leading patient care and research institute of Punjab. It has an illustrious reputation for providing excellent clinical services as well as postgraduate training in many fields. It is affiliated to Baba Farid University of Health Sciences, Punjab.

It will be our endeavour to have a scientific program, which is relevant to the emerging needs of treating physicians in the field of Hemophilia & Thalassemia. Our aim is to give impetus to transformational research, learning from eminent National and Regional faculties and from the Centres of excellence in India. The Summit will focus on different strategies in the management of hemophilia & Thalassemia based on health economics and treatment outcomes, importance of holistic approach in hemophilia and other emerging trends. Experts from Clinical Hematology, Paediatrics, Medicine, Pathology, Immuno Hematology & Blood Transfusion Medicine, Orthopaedics, Surgery, Dentistry, and Physiotherapy will participate in this summit.

It promises to be an outstanding scientific event combined with an extremely rich cultural experience of Punjab

We trust this summit will help in fostering the new ideas, adopting the best practices and accelerating our learning curve. Really excited to see you and welcome you in November 2023 !
